PANEL 1

A panel of Jim Hugger standing in front of an oval portal. The inside of the portal is swirling with some blueish liquid. He wears tight suit (think spandex or the suit you see motorcycle racers wear) covering his whole body. On his left chest we see a globe -like symbol. His face is visible through a plastic window in the equally tight helm.

JIM HUGGER:	I am Bim
TEXT-BOX: (JIM HUGGER)	Actually, it is Jim Hugger, but something tells me these guys don't really care.

PANEL 2

An army of wolf heads looking at the reader. Their bodies are round like a ball, but we only see them from the shoulders up. The pack leader stands closer than the rest. When the pack leader talks it comes from his belly (off panel).

PACK LEADER: (OFF PANEL)	Greetings Bim. What brings you to our realm.

TEXT-BOX: (JIM HUGGER)	Creepier than spaghetti coming to life mid-meal.
JIM HUGGER:	I'm searching for an artifact of personal value that might have found its way to your beautiful realm.

PANEL 4

A picture of the Pack leader's full body. The pack leader smiles gruesomely and rubs his hands against each other (which then are above his face).

PACK LEADER:	Beautiful?

PANEL 5

A zoomed out image of the floating rock this scene takes place on. Except for the pack and Jim Hugger the floating rock is filled with corpses of different shapes (some are even human like). In the vast space around the floating rock there are other similar rocks floating around in the emptiness.

PACK LEADER:	We don't do beautiful here.
